

Human Sexuality Advisory Committee
March 9, 2010, Meeting Minutes

Members Present: Kerri Comai, Sherri Driscoll, Gary Hall, Don Jackson, and Ed terSteeg.

With no public comment, the meeting was called to order at 1:50 P. M. by Ed terSteeg. The February 9, 2010, meeting minutes were acknowledged as presented.

Change and Program Options - Continued conversations at today's meeting centered on the following items:

- Ed terSteeg reported that Christina Feneley, Middle School Principal, has identified potential options for sixth and seventh grade. She will review grade level curriculum expectations, which are Board of Education adopted, and determine which may be addressed, yet this spring. The sense is that existing sixth grade staff may be used to present identified instruction.

In seventh grade the thinking is that an outside agency, such as the Calhoun County Health Department, could make a content specific presentation. Mrs. Feneley will share final decision-making with the committee at the May 11, meeting.

The eighth grade program is being addressed through the Health class, which all students are taking for high school graduation credit.

Once Mrs. Feneley determines what curriculum items may be offered as a result of her restructuring efforts, the committee will revise the scope and sequence chart for the sixth and seventh grade curriculum

Gardasil Presentation - The committee discussed its thinking and purpose regarding a public forum for the Gardasil presentation. The original intention was provide an opportunity for parents to gather information so they would be able to make an informed decision regarding why or why not to consider the immunization. The committee determined that with all the initial media coverage regarding the Gardasil choice it is no longer necessary to organize a public forum.

The next meeting is scheduled for May 11, at 1:45 pm in the High School Conference Room. Being no further business, the meeting was adjourned at 2:20 P. M.

Respectfully Submitted,

Ed terSteeg, Recording Secretary

Committee Meeting
May 11, 2010
1:45 to 2:30
High School Conference Room

Agenda...

- Public Comments
- Middle School Program Options -
